

Treasure Coast Commercial to market 90,000 square feet of industrial buildings

Chris Klein of Treasure Coast Commercial Real Estate, Inc., has been engaged by Treasure Coast Commerce Center II, LLC to market the remaining 80,301 square feet of office/warehouse condominium space on Jack James Way at the interchange of I-95 and State Road 76 in Stuart.

The developers are running a "Summer Special" with prices starting at \$114 per square foot. Klein said at this price point, he is looking forward to great absorption.

The project, which was completed earlier this year, has units ranging from 1,000 square feet up to 50,000 square feet available.

For more information about this center, visit www.tcccommercialre.com or call (772) 288-6646.
